SHOULD YOU APPLY?

The Heroes Leadership Academy is designed to help dedicated students become the very best leaders they can be for the pro-life cause. By the end of the school year, you will be among the most well-trained and effective pro-life advocates in Michigan.

Why are we offering this program? This movement needs you. It's that simple. If you believe that abortion takes the life of an innocent human being, you need to be doing everything in your power to stop this injustice. We want to help equip you to change the world.

This program, newly revamped for 2018, is a fully customized experience based on your interests and strengths. You will challenge yourself and grow as a leader through the following opportunities:

- Real-life experience in your pro-life field of interest
- Biweekly leadership mentoring
- Readings, research, observation, and action items to learn and improve your pro-life strategy
- Opportunities to learn from and get to know some of the nation's greatest pro-life leaders
