Dropcard Activism

- Pair people up in groups of two and distribute the dropcards provided by PLM.
- Have each pair shout out a different building that they will scatter the dropcards in. Try to reach far & wide on campus, so that students all over are exposed to the pro-life message!
- Optional: Make it a challenge! See which group can hit the most buildings and distribute the most cards before everyone reunites at the end of the night.

Note: We highly encourage that your groups reunites after splitting up for activism. It will help you to debrief and build relationships within your group.

Note: We recommend using this time for social connection. Bond with your members over late night appetizers, bowling, ice cream, a study session, etc. Get creative - but focus on strengthening friendships!
